

Hurricane Harvey Relief Efforts Recap

In the weeks since Hurricane Harvey hit Texas, Pilot employees, friends and customers answered the call and made a difference to help those devastated by loss. The total tonnage of donated goods that moved at no cost via Pilot's NET was nearly 105,000 pounds! Here's a look at where the donations originated from and moved to, as well as a couple of feel-good stories that came from the response to help others.

DEN

3 pallets of goods donated by Pilot employees and a collection organized by the Vista Peak High School girls basketball team
